Dear Sir/Madam,

Greetings of the day!

Please find attached the End Term Theory Examination Schedule. Kindly note the following important dates:

• Examination will be conducted from 4th May to 15th May 2026 including ST and Project Viva

As the candidates are currently working at the Cognizant office in different locations, they will be required to travel to ABES Engineering College, Ghaziabad for their End Term Examinations.

In this regard, we kindly request you to grant them sufficient travel leave so that they can reach the College on time for their examinations. Considering that air travel may not be financially feasible for all students at this early stage of their employment, we request you to take into account the travel duration via train while granting leave.

We would highly appreciate your support and cooperation in facilitating the students' academic commitments.

Thank you for your understanding.
